August 3, 2018

Dear Parent/Guardian:

We are pleased to welcome Whitsons Culinary Group and new Food Service Manager Kevin Welch to Whittier Tech! Students can look forward to expanded menu options each day that include the daily hot selection, hot and cold sandwiches including wraps and burgers, a variety of pizzas and calzones, Mexican fare including tacos and nachos, freshly made build-your-own salads, fruit smoothies and many other delicious items! Also new this year is the addition of a premium meal option which will include specialized items such as Boars Head meats.

Please consider enrolling in My School Bucks, an online payment system that makes it easier to pay for and track your student's lunch account. This convenient, simple and secure program not only allows you to make online payments (and automatic payment if you wish), but will also alert you when your student's balance is low and allows you to monitor your student's lunch activity. Setting up an account is easy – simply go to myschoolbucks.com or download the app, add your student(s) and pay with a debit or credit card.

I hope you enjoy our new school lunch options. If you have any questions or concerns, Mr. Welch can be reached at cafeteria@whittiertech.org or at 978-373-4101 ext 244.

Sincerely,

Chris Laganas
Principal
